How are you attending worship service at Crosspointe? Let us know this week by scanning the QR code provided:

If you are not studying the Bible personally, why not start this week. Block out two or three 20 minutes times during the week for Bible study. An easy-to-use method is something called the “Swedish Method.” You can learn more about it at this link: <https://www.challies.com/christian-living/faith-hacking-the-swedish-method/>.

Think of someone you know who has not reengaged yet with Crosspointe. Reach out to them this week and encourage them in some way. Send a card, a text or a make a call. Pray for them.
