On Your Own or with Your Family

Some scholars believe that Psalms 9 and 10 were originally one Psalm. Read both Psalms together. What do they say that is similar? What do they say that might seem different? How do they complement each other?

Identify something in our community, country or the world, where you feel compelled to pray that God would intervene. Commit to

praying for that over the next 20 days. Keep a journal of what you are praying for and see what God answers and how He answers it.

There are many organizations that seek to help and assist with those who have been victimized by the wicked. Visit www.ijm.org or www.compassion.com to learn more about how you can be involved in helping others.
