On Your Own or with Your Family

Keep working at memorizing Psalm 23. Saying the entire Psalm 10 times a day will help!

We should not be surprised when our faith brings enemies into our lives. Read these passages and journal your thoughts about each one. Luke 6.27-36; 1 Corinthians 16.5-9; Ephesians 6.10-20.

Think of someone who you might be able to encourage this week to remember the many blessings that God has given to them. Send a note, a card or make a phone call.
