7 Symptoms of Backsliding

1. A Decrease in Your Time Spent with God
2. A Decline in Church Attendance

4. An Indifference to Injustice
5. A Loss in Conviction of Sinful Behavior
6. An Embrace of the Immoral
7. A Rejection of Truth

5 Prescriptions for the Backslider

(These 5 originally appeared in a blog by author Joe Thorn at www.joethorn.net)

1. Identify your current state
2. Meditate on Christ and His Work

3. Pray to God for the Grace You Need
4. Repent of all your known sins
5. Return to Christ in fresh dependency

3 Challenges

1. Come to Jesus
2. Return to Jesus
3. Abide in Jesus

On Your Own or with Your Family

Take some time to read through the passages listed near the definition of backsliding. What additional insights can you gain from those passages?

Review the 7 symptoms of backsliding. Would you say that these symptoms move in a progression from 1-7? Which of these symptoms do you struggle with most often? Consider sharing your answer with someone else this week and asking them to pray for you.

Of the 5 prescriptions mentioned, which do you think would be most helpful in confronting a backsliding attitude in your own life?

There will be additional resources (books and video clips) that will accompany the Crosspointe News ebulletin this week.
