Special Business Meeting

The Deacons are calling a Special Business Meeting on Sunday, November 6, following the 11:00 a.m. service for congregational approval for waterproofing the basement of the church prior to starting the second phase of the capital campaign. This would include a new pump system and a backup generator system. The price would not exceed \$45,000 and would be funded from a loan from the Endowment Trust, being paid back, from the budget in up coming years. Members, please mark the date and plan to attend this important meeting.
