Pastor Jason's Sermon Notes Against The Flow: Daniel Series Looking Ahead Daniel 7:1-8

Some Thoughts on Daniel 7-12:

1. Change in _____ – Narrative to Apocalyptic
2. Change in _____ – People of the World to People of God
3. Change in _____ – Present Time to Future Time

What Does This Passage Tell Us About God's Revelation?

I. God's Revelation is _____

- A. It came to the Jewish people in their time of need.
- B. The Gospel has come to you in your time of need.

II. God's Revelation is Often a Developing _____

- A. This vision builds on the king's vision in chapter 2.
- B. We may not have the full picture yet of what God is doing in our time, in our lives.

III. God's Revelation is Ultimately _____

- A. Daniel's vision reminded the people of the coming redemption.
- B. Christ is revealed so that we might be redeemed.

Do you find hope in God's revelation?

On Your Own or with Your Family

Daniel went decades between interpreting Nebuchadnezzar's vision in chapter 2 and experiencing this vision in chapter 7. He didn't have the entire picture the entire time. Can you identify a time in your life when you did not have the entire picture but God was at work?

There are a lot of similarities between the account of Daniel and the account of Joseph. Read Genesis 37-50 and identify similarities in their lives. What does this tell us about God?

Daniel's vision, while terrifying, looked to the future with the understanding that God is in control. Consider these passages about God and the future: **John 16.33; Revelation 21.4; Proverbs 16.9; Isaiah 43.2.** What do these passages tell us?
